Training Mats for Popular International Robotics Competitions and Systems

Why wait for your competition mat each year to begin to train your rookies or build the skills of your current team members? You can start today with our universal training mats. They provide every scenario required to teach all the fundamentals of NXT/RCX/EV3 programming and similar robotics systems. Use them to design your own missions and exercises.

How to Purchase Robot Mats

- SHIPPING WILL BE CALCULATED:** For US/CANADIAN orders shipping will be calculated with options for FEDEX.
- SHIPPING:** Production and shipping time is typically 6-8 days.
- METHOD:** All orders are shipped via FEDEX.
- SCHOOLS:** If you are a school or organization that must use a purchase order, you should complete your order on the site. At checkout, choose Purchase Order as a payment option this will give you the precise amount. Then forward the PO to us. You can email it to sales@robotmats.com or fax it to 443-307-0094 or mail it to us at [Robot Mats, 1603 Belvue Drive, Forest Hill, MD 21050]. We will contact you to confirm the order. For most orders we will ship on receipt and confirmation of the PO. Larger orders may require payment in advance.
- BULK ORDERS:** Discounts are available for orders of 5 or more mats (any combination). Please contact us to discuss your order.

Postage is calculated at checkout. You can estimate the postage on the RoboMats store. <http://store.robotmats.com>

Product	PRODUCT NUMBER	Dimensions	Retail
DF Search and Resue Mat	RM101-DFCompMat	44.75 x 92.75	\$139
The National Museum of The Pacific War Strategy Mat 1	RM-NMPW-20181	44.75 x 92.75 in	\$161
PEEL Skills Mat 2018 CANADIAN	RM-PEEL-2018-CAN	44.75 x 92.75 in	\$130
PEEL Skills Mat 2018 Retail	RM-PEEL-2018-R	44.75 x 92.75 in	\$161
